Sir,

I have the honour to state that the Director of Industries and Commerce in Mysore in forwarding a petition addressed to him by the inhabitants of Doddasaggere and Chikkasaggere villages in the Koratagere Sub Taluk praying that a weekly market may be arranged to be held at Doddasaggere or Chikkasaggere, recommended in his letter No. 1192 dated 23. 4. 1913 to me, the holding of a weekly market at either of those two villages in view of the fact that the Department of Industries & Commerce has established a

a sugar-cane crushing plant at Doddasaggere and that it would be a convenience to the people there, if they could sell their jaggery on the spot, etc. A copy of his letter is herein enclosed for perusal.

2. The above communication from the Director of Industries and Commerce together with the petitions of the inhabitants of the above named villages in the matter, was placed before the District Board on the 28th. May 1913. The Board has resolved that a weekly market may be ordered to be held on Mondays at Doddasaggere (copy herein enclosed).

3. In these circumstances, I request that sanction to the Board's proposals may be kindly accorded.

I have the honour to be,
Sir,
Your most obedient servant
Chrysostom Selby

To

The Deputy Commissioner,
Tumkur District, T U M K U R.

Sir,

I have the honor to forward herewith for your consideration a petition from one Chikka Subbaiah Gowda on behalf of the inhabitants of Dodsagere and Chicksagere requesting that the weekly market (Shandy) should be held either at Dodasagere or Chicksagere.

It appears that this has been the case before the construction or the re-construction of the Mavatoor tank bund, and that the changes made during the re-construction were to suit the convenience of the large number of coolies who were employed on that work. Now that this has ceased, it would seem reasonable to hold the market at the place where there is the greatest activity, and this is, at present, undoubtedly at Dodsagere. The Department of In-dustries and Commerce have recently established a sugar-cane crushing plant there, and [illegible] are manufacturing about 150 maunds of jaggery a day, and there is no doubt that it will be of considerable convenience to the local people if they could sell their jaggery on the spot. I am inclined to strongly recommend the request of the Dodsagere people, and I think it is extremely desirable to encourage those
